

The Final Chapters Strategies and Approaches to Complete Your Thesis

Workshop for Master's and PhD students
Instructor: Dr. Noura Kamal, Academic Coach

Fieldwork done, writing in progress, or finalizing? This workshop is for you!

What Will You Gain?

- 📖 Strategies and Approaches for Completing Your Thesis.
- ✍️ Approaches to structuring and refining the conclusion and overall draft.
- 📅 Tips for accurate referencing and effective citation management.
- 🕒 Tools for time management, overcoming writer's block, and sustaining progress.
- 📄 Guidance on preparing for submission requirements and academic standards.
- 🎯 Developing a results-driven perspective for finishing your thesis.
- 🌱 Support for maintaining confidence and focus through the final stretch.

* Practical tools, personalized guidance *

The workshop will provide space to discuss your thesis and support your particular needs.
